Scholarships and Fellowships

- Fellow - Intercontinental Academia (ICA): University-Based Institutes for Advanced Study (UBIAS), a global network of 46 institutes of advanced studies.
- Scientific Observer for the team India and Jury International Biology Olympiad-(IBO) 2023, Al Ain, UAE
- External Affiliate, Krasnow Institute of Advanced Study, George Mason University, USA
- Councilor, UNESCO UniTwin Complex Systems Digital Campus (CS-DC)
- Member, IUCN Freshwater Specialist Group – South Asia
- Member, IUCN Fish Conservation Network – South Asia
- Mentor, National Initiative on Undergraduate Science (NIUS) Students (Biology), Homi Bhabha Centre for Science Education, TIFR, Mumbai
- Mentor, Summer Research Fellowship Programme (SRFP), Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bangalore
- Adjunct Faculty, Manipal Academy of Higher Education (MAHE), Manipal, India
- Member, NIAS Research Ethics Committee
- Secretary, Ethological Society of India; 2017-2020
- Research Affiliate, Centre for the Study of Neuro-Economics, George Mason University, USA, 2015-2019
- Jury - Swiss Science Slam 2019, Organized by swissnexindia, Consulate General of Switzerland.
- Member, Board of Studies, Ramaiah University of Applied Sciences, Bangalore 2019-2020
- Lead, Biology Education Team, *Connected Learning Initiative (CLIX)* A joint venture of Massachusetts Institute of Technology, USA and Tata Institute of Social Science (TISS), Mumbai; 2016-2018
- Young Scientist (*Fast-Track*), Department of Science and Technology, Government of India; 2013-2016
- Cognitive Science Research Initiative Postdoctoral Fellow, Department of Science and Technology, Government of India; 2010-2012

Professional Positions

- In-Charge, Science Communication Programme, National Institute of Advanced Studies, Bangalore; February 2022- ongoing
- Associate Professor, School of Natural Sciences and Engineering, National Institute of Advanced Studies, Bangalore; July 2021- ongoing
- Assistant Professor, School of Natural Sciences and Engineering, National Institute of Advanced Studies, Bangalore; June 2014- June 2021
- SERB Young Scientist, National Institute of Advanced Studies, Bangalore; 2013 – 2014
- Cognitive Science Research Initiative Postdoctoral Fellow, National Institute of Advanced Studies, Bangalore; 2010-2012
- Lecturer, MES KVM College, Valanchery, Kerala; 2009-2010

Educational Qualifications

<i>Degree</i>	<i>Subject</i>	<i>Year</i>	<i>University</i>
Doctorate	Zoology	2002-2009	University of Calicut Kozhikode
Master's degree	Zoology	1999-2001	University of Calicut Kozhikode
Bachelor's degree	Zoology	1996-1999	University of Calicut Kozhikode

Research

Specialization: *Cognitive Science and Science Communication*

Post-doctoral Research

National Institute of Advanced Studies, Bangalore

Conspecific recognition, numerical competence and capacity for transitive inference in a freshwater fish, the climbing perch (Anabas testudineus); Cognitive Science Research Initiative Postdoctoral Fellowship. August 2010 – August 2012

PhD

University of Calicut, March 2003 – July 2009

Determinants of decision making in climbing perch (Anabas testudineus Bloch), a freshwater fish

Other Trainings

- *Laws: Rigidity and Dynamics*. A transdisciplinary analysis of laws in science, humanities and social sciences. UBIAS Intercontinental Academia-3. Nanyang Technological University, Singapore (19th - 27th March 2018) and University of Birmingham, United Kingdom (19th - 27th March 2019)
- *Designing and Developing Science Education Modules*. Media Lab, Massachusetts Institute of Technology (MIT), Cambridge, USA (2nd - 30th August 2015)

Research Grants

Principal Investigator

- *Student-Scientist: A network of students for monitoring the impact of climate change and communicating the risk of natural disasters in the coastal regions of Kerala and Karnataka*. National Council for Science and Technology Communication (NCSTC), Government of India, New Delhi. September 2023 – September 2025.
- *Kalaripayattu (a traditional Indian martial art) and wellbeing*. In collaboration with UL Research Centre (ULRC), UL CyberPark, Kozhikode, Kerala, February 2024 – February 2025
- *Coping with an Invader: Understanding the behavioral adaptations exhibited by the Juveniles of Deccan Mahseer in response to alien invasive fishes* Science Engineering Research Board (SERB- CRG/2021/007778) Government of India, New Delhi. February 2022 – February 2025.
- *Developing an ICT integrated module for making high school biology education stimulating*. Funded by: The Connected Learning Initiative (CLIX). Tata Institute of Social Sciences (TISS), Mumbai, Massachusetts Institute of Technology (MIT), Cambridge, USA and the Tata Trusts. March 2016 – February 2018.
- *Sahyadri's underground fishes: developing conservation action plans for the subterranean fishes of Western Ghats*. Funded by: Rufford Small Grant, UK. November 2015- December 2017.
- *“Understanding the role of ‘student networks’ in creating awareness about*

environment, water, sanitation and hygiene in rural and socio-economically marginalized areas". Funded by: Eco-Water and Sanitation Hygiene (Eco-WaSH) Programme. National Council for Science and Technology Communication (NCSTC), Government of India, New Delhi. July 2014 – August 2016.

- *"Intra-and inter-population variation in behavioural plasticity in a fish, the climbing perch (Anabas testudineus): Role of behavioural syndromes and brain organisation"*. Funded by: Department of Science and Technology, Government of India, New Delhi. Young Scientist (*Fast Track*) Project. July 2013 – November 2016.
- *"Conspecific recognition, numerical competence and capacity for transitive inference in a freshwater fish, the climbing perch (Anabas testudineus)"* Funded by: Department of Science and Technology, Government of India, New Delhi. Cognitive Science Research Initiative Postdoctoral Fellowship. August 2010 – August 2012.

Co-Principal Investigator

- *"Determinants of nuclear risk perception in India: an integrated analysis"* Principal Investigator: Gopi Rethinaraj, National Institute of Advanced Studies, Bangalore; Funded by: Department of Atomic Energy (DAE) Board of Research in Nuclear Sciences (BRNS) Government of India. June 2017 – May 2021.
- *Interdisciplinary forays into human-environment interactions.* Principal Investigator: Sindhu Radhakrishna, National Institute of Advanced Studies, Bangalore; Funded by: Science Engineering Research Board (SERB) Government of India, New Delhi. May 2017 – May 2021.
- *Managing public perceptions and public acceptances of public risks associated with new and emerging technologies through science and technology communications.* Principal Investigator: Baldev Raj, National Institute of Advanced Studies, Bangalore; Funded by: National Council for Science and Technology Communication (NCSTC), Government of India, New Delhi. August 2017 – August 2018.

Grant for Organising Workshops

- SERB Karyashala (High-end workshop) on *Science communication*. 25th - 30th July 2022

Projects worked/ collaborated

Ideator

CovidScicomm- A study on the impact of COVID-19 on the science communication ecosystem in India, Switzerland and the USA. Conducted in collaboration with Swissnex in India and Boston, Science et Cité and the Swiss Academies. 2021.

Collaborator

- *Mapping dengue mosquito population in Kerala.* Principal Investigator: Ajit Babu, Center for Advancement of Global Health (CAGH), Kochi; *Funded by:* Natural Resource Data Management System, Department of Science and Technology, Government of India, New Delhi. May 2015 - May 2017
- *Technological and Social Solutions to Major Water Challenges Facing India.* Principal Investigator: Shantha Mohan, National Institute of Advanced Studies, Bangalore; *Funded by:* Water Initiative, Department of Science and Technology, Government of India, New Delhi. July 2012 – December 2012.

Research Fellow

- *Environmental correlates of spatial and social learning in fish: The role the neural circuitry of hippocampal pallium and amygdalar pallium.*
Department of Zoology, Christ College, Irinjalakuda, Kerala; *Funded by* University Grants Commission, Government of India, New Delhi; 2007-2009
- *Studies on seed production and enhancement of larval survival of indigenous freshwater food fishes of Kerala.*
Department of Zoology, Christ College, Irinjalakuda, Kerala; *Funded by* Department of Science and Technology, Government of India, New Delhi; 2004-2007
- *Behavioural ecology of some selected freshwater food fishes of Kerala.*
Department of Zoology, Christ College, Irinjalakuda, Kerala; *Funded by* University Grants Commission, Government of India, New Delhi; 2002-2004

Teaching

Academic Courses Conducted

- Two-credit course of '*Analyzing science communication through the lens of behavior science*' for doctoral degree students (National Institute of Advanced Studies, Bangalore; August 2023 – December 2023)
- Two credit course of '*Conservation psychology*' for the MSc and PhD students of ecology and environmental studies. This course is jointly organized by the Academy for Conservation Science and Sustainability Studies, Ashoka Trust for Research in Ecology, and the Environment (ATREE) and University of Trans-Disciplinary Health Sciences and Technology (TDU), Bangalore, September 2023 – December 2023
- Two-credit course of '*Animal Behaviour and Cognition*' for doctoral degree students (with Anindya Sinha). National Institute of Advanced Studies, Bangalore; August 2023 – December 2023
- *Introduction to research and publication ethics* (4-hour module) for doctoral degree students; National Institute of Advanced Studies, Bangalore; August 2023
- Two-credit course of '*Analyzing science communication through the lens of behavior science*' for doctoral degree students; National Institute of Advanced Studies, Bangalore; August 2022 – December 2022
- Two credit course of '*Conservation psychology*' for the MSc and PhD students of ecology and environmental studies. This course is jointly organized by the Academy for Conservation Science and Sustainability Studies, Ashoka Trust for Research in Ecology, and the Environment (ATREE) and University of Trans-Disciplinary Health Sciences and Technology (TDU), Bangalore, September 2022 – December 2022
- One credit course of *Connecting Cognition with Science Communication*; National Institute of Advanced Studies, Bangalore; August 2021 – December 2021
- Two credit course of *Animal Behavior and Cognition* for doctoral degree students (with Sindhu Radhakrishna); National Institute of Advanced Studies, Bangalore; August 2021 – December 2021
- Two lecture module- on '*Conundrum of Consciousness*' as part of a certificate course on *Consciousness and Self-Awareness*; Academy of Research for the Cultivation of Indian Sciences (ARCIS), Kolkata, Kaivalyadhama Lonavla, Pune; October 2021
- Two credit course of '*Research and Publication Ethics*' (with Tarun Menon) National

Institute of Advanced Studies, Bangalore; August 2021 – December 2021

- Two lecture modules on ‘*Evolution of Consciousness*’ as part of a certificate course on *Consciousness and Self-Awareness*; Academy of Research for the Cultivation of Indian Sciences (ARCIS), Kolkata, Kaivalyadhama Lonavla, Pune; January 2021 – March 2021
- Coordinator- ‘Research and Publication Ethics’ National Institute of Advanced Studies, Bangalore; December 2020 – February 2021
- Four-lecture module on “*Animal Cognition and Conservation* ” as part of a four credit course on *Methods in Ethology* for doctoral degree students; National Institute of Advanced Studies, Bangalore; December 2020 – February 2021
- One credit course of *Cognition and Collective Intelligence* for doctoral degree and postgraduate students. National Institute of Advanced Studies, Bangalore; September – December 2020
- One credit course of *Human-Environment Interactions* for doctoral degree and postgraduate students (with Sindhu Radhakrishna). National Institute of Advanced Studies, Bangalore; September – December 2020
- One credit course of *Bridging Science with Society: Understanding the Role of Communication* for doctoral degree and postgraduate students. National Institute of Advanced Studies, Bangalore; August – November 2019
- One credit course of *Human-Environment Interactions* for doctoral degree and postgraduate students (with Sindhu Radhakrishna). National Institute of Advanced Studies, Bangalore; August – October 2019
- One credit course of *Introduction to Animal Cognition* for doctoral degree and postgraduate students (with Vishwanath Varma). National Institute of Advanced Studies, Bangalore; August – October 2019
- *Research Design and Logic*. Part of the Research methodology course for PhD students. National Institute of Advanced Studies, Bangalore; August – November 2018
- One credit course of *Science Communication – Principles, Practices and Future Challenges* for doctoral degree and postgraduate students (with M Sai Baba). National Institute of Advanced Studies, Bangalore; August – November 2018
- Three-credit course of *An Introduction to Mind, its Functions and Purpose* for doctoral degree and postgraduate students (with Sangeetha Menon, Anindya Sinha, LM Patnaik, Nithin Nagaraj and Sisir Roy). National Institute of Advanced Studies, Bangalore; August – November 2017
- Three-credit course of *Introduction to Consciousness* for doctoral degree and postgraduate

students (with Sangeetha Menon, Anindya Sinha, LM Patnaik and Sisir Roy). National Institute of Advanced Studies, Bangalore; August – December 2015

- Three-credit course of *Behaviour, Cognition and Consciousness* for doctoral degree and postgraduate students (with Sangeetha Menon, Anindya Sinha and B V Sreekantan). National Institute of Advanced Studies, Bangalore; September – December 2014
- Three-credit course of *Understanding the Biology of Behaviour* for doctoral degree and post-graduate students. Central University of Kerala, Kasargode. 1- 5 September 2014
- Three-credit course of “*Essentials of Comparative Cognition*” for doctoral degree students (with Anindya Sinha); National Institute of Advanced Studies, Bangalore; January – April 2014
- Two-lecture module on “*Laboratory and Field Methodologies*” as part of a three-credit course on Research Methodologies for doctoral degree students; National Institute of Advanced Studies, Bangalore; January – April 2014
- A three-credit course of “*Human-Environment Interactions*”, consisting of lectures, paper presentations and discussion sessions for doctoral degree students (with Sindhu Radhakrishna); National Institute of Advanced Studies, Bangalore; October – December 2013
- Two-lecture module on “*Laboratory and Field Methodologies*” as part of a three-credit course on Research Methodologies for doctoral degree students; National Institute of Advanced Studies, Bangalore; January – April 2013
- Theoretical and practical classes for undergraduate students of zoology; MES KVM College, Valanchery, Kerala; September 2009 – October 2010
- Guidance of research projects and dissertations, theoretical and practical classes in animal behaviour, ecology, evolution and biostatistics for postgraduate students of the Departments of Zoology and Environmental Science; Christ College, Irinjalakuda, Kerala; May 2001 – March 2009

Modules for school children

- Developed a module titled *Ecosystem* for the school children (8th and 9th standard) of four states (Chhattisgarh, Telangana, Rajasthan and Mizoram) of India in collaboration with Tata Institute of Social Sciences (TISS), Mumbai, and Massachusetts Institute of Technology (MIT), Cambridge, USA, 2018.
